**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a proud user of Sonic internet service. I work from home and run my professional life on sonic. The service is extremely reliable and fast for my heavy usage of video conferencing. I used to be a customer of a DSL service and it was extremely expensive and very unreliable. It was harmful to my business as my connections were always failing.

I need Sonic as it helps me with my business and livelihood. I would be negatively impacted if Sonic were to not provide service. I am in full support of broadband competition.
